ASCILITE 2026 SPONSORSHIP

Conference Website, Digital Communication

The conference website serves as the primary source of information for all delegates, featuring the latest event details. Sponsors are prominently recognised, with their logos displayed and linked to their company websites to showcase their support.

Throughout planning of the event, delegates receive regular updates and branded communications that can feature your logo. Additionally, engaging with the ASCILITE community through targeted social media posts provides another opportunity to present your branding to a focused audience.

In Person Conference

Having company representatives onsite at our 2026 Brisbane hotel venue offers sponsors direct access to delegates throughout the event. This year's exhibition area is positioned in a busy, central thoroughfare, ensuring consistent visibility and strong foot traffic across all four days. With delegates circulating between sessions, catering, and networking activities nearby, sponsors can expect frequent touchpoints and high-quality conversations in a warm, accessible setting.

Conference App

The conference App will be available for all registered delegates. With the full program, sponsored branding, contact exchange, notifications and live alerts, the app compliments the face-to-face event for a full delegate experience.

Post event

All sponsors will receive a list of registered (consenting) delegates who attended the conference. This additional contact information enables you to connect with a targeted audience, maximising the value of your sponsorship and enhancing your return on investment.
